

## Artisans:

**It is a proven fact that the exhibitors with the most attractive booths are the “TOP SELLERS” at our shows!**

### **Per Lease Agreement #2 you must have an Attractive Decorated Booth!**

*Our artisans put many hours into building an attractive booth at our shows! This makes the shows very appealing and professional. Out of fairness to all vendors who put a lot of time and effort into building a beautiful booth, we ask you to please adhere to these rules!!!*

**Booths must be 6-8 feet tall and solid,  
so you can't see back of neighbors booth!**

*Examples...*

- Backdrop can be made of solid walls or shelving
- Pipe and drape
- Lattice or wired grids with cloth on back so as not to be seen through to back of booth.

**We prefer you not to use pop-ups!**

However, if need be you must remove canopy and all poles must be covered and decorated with (Exp.: fabric, garland, etc.) Please don't use the plastic canvas typical of pop-ups, replace with fabric or drapes.

**Booths without any kind of backdrop  
will NEED to rent pipe and drape.**

**Thank you!**
